

IT'S ALIVE,

Curated by MIDDLE PLANE

Hee-Ang Kim

Ineke Heerkens

Karl Fritsch

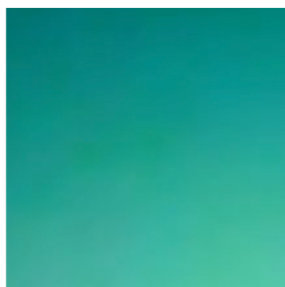

Lisa Walker

Manon Van Kouswijk

Paul Elliman

Patricia Urquiola

Yutaka Minegishi

A group exhibition that asks to push the boundaries of jewelry and redefine their role while creating new challenging ways to perceive things.

There is a power for these small objects; there is a message and a meaning for each. A personal note to be shared. Perhaps to say I miss you. I love you.
